Any changes, additions or amendments to said Charter or Articles of Incorporation, Constitution and By-Laws duly made or enacted subsequent to the issuance of this Certificate shall bind the member and the beneficiaries, and shall govern and control this agreement in all respects the same as though such changes, additions or amendments had been made prior to and were in force at the time of the Application of Membership.

Grace Period

If any monthly rate is not paid when due, this Certificate and all liability of the International Workers Order, Inc. shall cease, except that the insured is entitled to a period of grace of three months within which the payment of any monthly rate after the first may be made; during such period of grace this Certificate shall continue in full force, but in case the Certificate becomes a claim during the said period of grace before the overdue amount is paid the amount of such monthly rate or rates shall be deducted in any settlement under this Certificate.

After two months and within three years following suspension, this Certificate may be reinstated upon evidence of insurability satisfactory to the Order, and by payment of all arrears.

Change of Beneficiary

The member, while in good standing, shall have the right at any time to change the beneficiary named in this Certificate by filing with the Order a written request therefor, signed by the member, and duly witnessed by two witnesses or acknowledged before a Notary Public. The form shall be forwarded to the General Office and shall take effect only after its receipt and approval by the Order while the member is living.

No Changes, Waivers Nor Modifications

No Lodge, nor any of its Officers, nor any other member or person shall have the authority to make, alter or change any of the terms, provisions or conditions hereof; and no evidence of any change or waiver shall be competent to prove the same, unless it be in writing, signed by the member and the General President or General Secretary of the Order.

Misstatement of Age

If it shall be found at any time before final settlement under this Certificate that the age of the insured has been misstated, and the discrepancy and the rate payment involved have not been adjusted, the amount payable under this Certificate shall be such as the rate would have purchased at the correct age, provided that if the correct age was not an insurable age under the constitution of the Order, only the net mortuary payments shall be returned; and provided further that if the age has been overstated, no additional amount of insurance or other values shall be granted for any excess amount paid, but such excess mortuary payments shall be returned without interest.

Suicide

War Risk Clause

No benefit shall be paid for death occurring outside of North America while the member is in military or naval service in the armed forces of any country at war, declared or undeclared, or for death occurring within six months after returning to North America and resulting directly or indirectly from causes arising while the member was in the military or naval service in the armed forces of any country at war, declared or undeclared; except an amount not less than the full reserve on this certificate less any indebtedness, or the mortuary payments made hereon, less any indebtedness, whichever shall be the greater.

Suit

No action at law or in equity shall be brought or maintained on any cause or claim arising by virtue of this Certificate unless said action is commenced within three years from the date the cause of action arose, except if three years is less than that provided by the laws of the state in which the member resides at time of issue, such period shall then be extended to cover the minimum period provided by the laws of such state.

Incontestability

This Certificate shall be incontestable after it has been in force during the lifetime of the member for a

Dear Sir,
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the above mentioned matter. I am sorry to hear that you are unable to attend the meeting on the 15th inst. I am sure that your business will be well taken care of. I will be glad to discuss the matter with you at any time convenient to you. I am, Sir, very respectfully,
Yours truly,
J. H. [Name]

The first thing I noticed when I stepped
out of the plane was a sense of freedom.
The air was fresh, the sky was blue, and
the world was waiting for me. I had
been told that the view from the plane
was incredible, and I was not disappointed.
The clouds were like a soft blanket,
and the sun was shining brightly. I
felt like I was on top of the world.
The pilot was friendly and professional,
and the crew was attentive. I had
heard that the flight was smooth, and
it was. The plane was comfortable,
and the food was delicious. I had
heard that the service was excellent,
and it was. The flight was a
great experience, and I was
glad to be on the ground again.

the first thing I saw when I stepped out
of the house in the morning. The sun
shined brightly on the grass, and I
felt like I was in a new world. The
birds were singing, and the wind was
soft. It was a beautiful day, and I
was so happy to be outside. I had
been feeling a bit down lately, but
this day was just what I needed. I
went for a walk in the park, and
I saw so many beautiful things. The
flowers were in bloom, and the trees
were full of leaves. It was a
great day, and I was so glad to be
out there. I had been feeling a bit

I had been so happy when we were

The contract was still there, and I
had to sign it. I had no choice.

The first thing I noticed
 when I stepped out of the plane
 was the humidity. It was
 sticky and oppressive, clinging
 to my skin like a second

 the scent of tropical flowers

 the weather was perfect, but
 this was something else
 entirely. It felt like I had
 stepped into a different world.

The humidity was a constant
 presence, a reminder of the
 heat and the sun. I had

Q

A You mentioned something about having seen someone who resembles Mr. Rosenberg on the morning of -
Q First Sunday in February, 1950.

A I saw the person who resembles Julius Rosenberg who was seated at the associated reading place. Was he smoking a cigar?

A He was smoking a cigar.

Q I show you a picture of Julius Rosenberg.
A Of the two photos, the full-faced one, looks very much like him.

Q I show you another.
A This looks like him also.

(Stenoographer marks Exhibits 2 and 3, with initials and date)

Q The record to indicate that the witness has identified Exhibits 2 and 3 as the person whom he saw seated at that particular rendezvous.

A In Exhibit 3, the right-hand picture, more clearly resembles the man whom I believe I saw on the first Sunday in February, 1950.

Q Can you describe the way this man was dressed?

A Yes I can. I believe that he wore a brown hat, brown shoes, possibly black shoes, a brown suit or a dark one which was somewhat dark in color and a light-colored brown overcoat which may have had a rough finish to it. In passing me, he passed somewhat close to my face. He was smoking a cigar.

(Off the record discussion)

Q Then, for the first time, did you meet Julius Rosenberg on the first Sunday in June, I believe he was on the third of June, 1945.

Q Where did you meet him?
A That was in his apartment in Albuquerque, New Mexico.

Q Further on Government Exhibit 4, A and B, are there any other exhibits which correspond to the ones which you saw in their photographs?

(Stenographer marks pictures, Exhibits A and B)

Q The right-handed photo on Exhibit 4, last column, resembles the man whom I have since identified as Emilio Greenglass.

(Mr. Greenglass is interrupted by telephone call)

(Stenographer told to mark Government Exhibits 7 and 8)

Q Now, did you meet Mrs. Greenglass at the same time?
A Yes, I did.

Q Further on Government's exhibits 6 and 7 are there any other exhibits if these are pictures of Mrs. Greenglass?

A Yes, these are the photographs of Mrs. Greenglass. The one which most closely resembles her is the left-hand one, Exhibit 7.

Q When did you say the meeting took place?
A In the first part of June, 1945, and I believe the date was the third of June.

Q How did you happen to go to Albuquerque?
A The occasion was an off-shoot of a previous meeting which I had had on Saturday, June 2, at Santa Fe, New Mexico, with Dr. Klaus Fuchs.

Q Has this been covered before?
A This has been covered before in great detail.

(Off the record discussion)

Q Who gave the instructions to go and see Greenglass?
A They were given to me by a man whom I knew at the time and whom I have since identified as Anatole Sokolov.

Q When and where did he give you these instructions?
A At a bar near Third Avenue and 42nd Street.

Q When?
A They were given to me on Saturday - on the third Saturday in May.

Q 1950?
A 1945.

- Q What happened then?
- A It was at this time that I had gone to meet John so that he might verify that I was going to see the man in Santa Fe. Before this meeting at the bar on Third Avenue, I had no indication that there was to be any side meeting. I knew I was going to see the man who had been arranged in Cambridge, Mass., but I did not know ... have any idea of what was going to take place. This was a result of a side meeting.
- Q You are talking about this meeting on Third Avenue in February of 1945 when you went there -- you already let did you say to this fellow John.
- A This meeting at the bar on Third Avenue had as its primary purpose the fact that I was actually going to Santa Fe to carry out a rendezvous with Dr. Hans Fuchs, which rendezvous had been arranged by Fuchs and myself in Cambridge in January of 1945. At that time also, John told me that there existed in Albuquerque a man who was employed in the Atomic Energy Project. I assumed that he meant a civilian. He told me that either I had seen Dr. Fuchs, that I should return to Albuquerque, or that he that actually I should return via Santa Fe and pick up several thousand dollars which he had secured. I further was instructed that when this man got to Albuquerque, that his life would be there and would have the information for me. In addition, I was given the sum of \$500. and was told that should either the man or his life evince any need for the money, that I should give it to him.
- Q What denominations were the bills?
- A The bills, I believe, were in small denominations -- mostly 10's and 20's, possibly a few 5's.
- Q Anything else?
- (If the record is correct)
- A There was a means of recognition that I received as follows: I was to tender a piece of cardboard which is an irregular shape; this piece of cardboard was to be marked by a record piece which the person whom I met would have. Further, I was to bring with me I brought records from the Russian War zone in the form of Ben in Brooklyn. The piece of cardboard was received by Yakovlev.
- Q And this all took place at the bar on Third Avenue in Santa Fe correct.
- A And what did you receive yourself for doing this?
- A I received nothing for doing this thing.

Q Who paid your expenses?
A Originally, I had thought that I had paid the expense of the entire trip myself. Since I saw the money, the part or possibly all of the expense was paid in money which had been given to me by Yakovlev on the first of February or March of 1949.

Q After you had made the trip, did he reimburse you?
A Yes, he gave me the money before.

Q How much was that?
A I don't recall. I believe it was in the neighborhood of \$400.

Q Did that complete that meeting at the bar?
A That completes the meeting at the bar.

Q Where there you went to Albuquerque?

(Off the record discussion)

Q Did you have any contact with anyone in Albuquerque?
A Nothing, other than the reception and the instructions given to me by the checkpoints of the FBI in Albuquerque.

Q Yakovlev gave you these instructions?
A Yes.

Q What did he say?
A He gave me the address where he told me that I should meet him.

Q Did he give you a description?
A He gave me no physical description of any of these people.

(Off the record discussion)

Q I show you Government's Exhibit 6, which is a photograph of a man and woman. Is that the couple that you met in Albuquerque?
A These two people in the photograph, one man and one woman, are the exact images of the two people that I met in Albuquerque on the first Sunday in June, 1949.

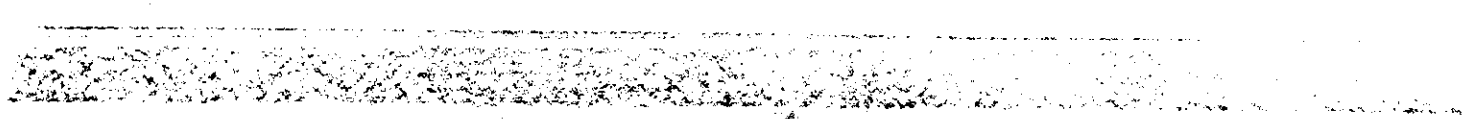

Q What time did this meeting take place?
A There were two meetings - the first one took place at approximately 9 a.m. Sunday morning. I met both Mr. Greenglass and Mrs. Greenglass.

Q Did you introduce yourself?
A I introduced myself according to the instructions I had been given.

MARCH 30, 1950

March 31, 1950

Q. This is the meeting, that Sunday evening, when you went into the party, did you by any means go to that building on the night before?

A. Yes, I did. On Saturday night, after my return from Santa Fe, I went to the place where the key had been given to me by Makovick. I went to the location of the house in the following week. It was about six blocks above the Santa Fe crossing of the railroad and was on the left-hand side of Central Avenue going out in the direction of the University of New Mexico.

Q. When you got there, did you meet anybody that night?

A. I met one man that night, who was an elderly man, about 63 or 65.

Q. Do you know his name?

A. I do not know his name.

Q. Did you talk to him?

A. I spoke with him.

Q. What about?

A. I spoke to him on the veranda of the house and asked for the Greenglasses. He told me they had gone out that evening, but they would be in the following morning.

Q. Did you identify yourself or tell the old man who you were?

A. No, I did not in any manner identify myself.

Q. And you left no message?

A. No.

Q. That was the next morning, at 9 o'clock, the Sunday morning; that was the time when Mr. Greenglass appeared in pajama tops. Was Mrs. Greenglass there too?

A. I will cover this in chronological order.

Q. What happened when Mr. Greenglass opened the door?

A. I said that I brought greetings from the Bronx, Brooklyn, and I produced the irregular shaped piece of cardboard. Greenglass said, "Oh, yes, come in" - called. I entered the room and noticed a woman there whom I was used to see, the wife of Mr. Greenglass. She was already dressed in a housecoat of some kind, or a housedress. He went to his closet and produced the matching piece of cardboard. I then asked him whether he had any information for me and he said that he did, but that he could not have it prepared until the afternoon. There then ensued a conversation between us in which the following matters were covered. He told me that his wife had arrived there some months previous, and that they were running a very small

of funds, and that it shortly would be possible for her to see in my hands in New York. I then told him I had a card of money for him and gave him the \$5. In an instant, I saw him. Sure, I believe so. The palace was in the very tiny kitchen. I cannot definitely say whether she was out of hearing or not, but I do believe that we were still on the subject of money when she returned to the room. I believe to be of that moment because Greenberg had a very good look on his face that I stated that money would be back in Albuquerques in a few days and would then bring more money with me. He did say, however, that for the time being the \$50 would be sufficient and would be a great aid. He then told me with great enthusiasm or rather he did so in to tell me with great enthusiasm of several other possible recruits - they is people who had also furnished information on atomic energy. I told him short because this was very contrary to the order or procedure which I had developed and which I had been steeped in during my long association with the Soviets. I told him never to attempt to enlist anyone and not to think of it in any form or manner. He agreed with me. He did not seem angry or taken back by the rebuke. He said, "Yes", I was right, that just previous to when he had left Al Santa Rey had been broken to the Russians and had been sent elsewhere, possibly to a federal detention site. 'Though I am not sure of this line, there was some conversation by Mrs. Greenberg during this interval. I believe she stated to me that she had received a Julius, and I understood that Julius was a relative of hers.

- Q. You mentioned something about "you believe", can't you state definitely whether she actually say or didn't?
- A. The word, "believe" was an unfortunate slip. What I intended to say was I recalled very definitely during this morning meeting that Mrs. Greenberg told me she had seen and spoken with a Julius in New York, just prior to her coming to Washington in April, 1945.
- Q. Did she tell you what Julius had told her?
- A. She did not say that Julius had told her, but I gathered that Julius had knowledge of the fact that information was to be sent from her to the Soviets.
- Q. This is at this meeting in the morning?
- A. Yes.
- Q. Did that end the conversation for the moment?
- A. This concludes the conversation in the morning with the exception of the fact that I recall to meet about 3:30 or 4 in the afternoon in the apartment.
- Q. What happened next?
- A. I returned to the Greenberg apartment at a specified hour in the afternoon.

state the first meeting was about 15 or 20 minutes duration. The second meeting interval was a time interval of only about 5 minutes. At this time Greenblatt gave me an envelope which contained some 3 or 4 typed written checks. One of them which contained a rough sketch of some sort.

Q. Yes, I was present?
A. Yes, at this time in the Greenblatt apartment.

Q. Are there any conversations at this time?
A. There were. They were going on, and I believe the principle conversation concerned the difficulty in which Mrs. Greenblatt was involved in obtaining work in Albuquerque so as to raise further funds for staying near her husband. I believe at this time there was mentioned the fact that he regularly came to Albuquerque very regularly on Saturdays, although sometimes his visits to his wife were two weeks apart. Also some mention was made that they had regularly had food, clothing, necessities, toiletries items sent to them from New York. I particularly recall the mention of the fact that a small column and pure natural wood floor.

Q. Did that conclude the conversation then?
A. This does not conclude the conversation since we left the apartment to go to work.

Q. The three of you?
A. Yes, and talked for several minutes, possibly two minutes about two or three specific points of Central Avenue, but parallel to Central Avenue at which time departed.

Q. Are there any further conversations about this business during the walk?
A. I would like to mention I have omitted one item and this concerns the morning meeting. This concerns the fact that Greenblatt told me during the morning that he expected to be furnished and would take the opportunity to go back to New York. He told me I could get in touch with him about Christmas time by calling this Julius. I do not believe a last name was given, but I do recall a phone number given. However, I am unable to remember the phone number. I thought it was somewhere in the Bronx of New York.

Q. You mean you thought the telephone exchange was in the Bronx?
A. Yes.
Q. He did not give you an address?
A. No.
Q. The Bronx was not mentioned?
A. I do not believe the Bronx was mentioned and I believe this is purely my guess that the phone number he gave me belonged to Julius.

Q. When did you go to New York City?
A. I left the United States and left New York City on Central Express, which is a train that goes to New York City, on Sunday in New York. I left in the morning and took the train to New York.

Q. Did you go to New York City?
A. Santa Fe Railroad.

Q. You were in New York?
A. No, I did not return to New York. I went to Chicago and then returned to New York. That is correct.

Q. You went to New York by way of Chicago?
A. Yes.

Q. Did you stop off in Chicago?
A. I went to New York by Santa Fe Railroad. To Chicago, to save time, I took a plane to Chicago since the wait for a train to New York was long in Chicago until late evening. I arrived in Chicago early in the morning. I went to Washington. I could not get direct service to New York from Washington in the afternoon. I took the Santa Fe Railroad to New York.

Q. Were you in a hurry to get back?
A. I had to keep a meeting which I had to attend.

Q. Before you left New York, did you see anyone?
A. No.

Q. You did not communicate with him?
A. No, I had no means of communicating with him.

Q. When did you arrive in New York?
A. Very likely a Tuesday or Wednesday morning.

Q. And did you contact Laborer?
A. No.

Q. How did you happen to contact him?
A. We met by a prearranged agreement at a place near the point where Brooklyn runs into Queens, near where in the neighborhood of Metropolitan Avenue. This meeting had been arranged, the day, the hour and meeting, and the place had been agreed by me at our last meeting at the bar on 11th Street.

Q. This is the reason why you were in New York?
A. That is correct.

MEMORANDUM
TO : SAC, NEW YORK
FROM : SAC, ALBUQUERQUE
SUBJECT: [REDACTED]

INTERVIEW:

Date: 1/10/55
Page: 4/35
Continued from page 3

=====

- Q. What time did this meeting take place, approximately?
- A. This meeting took place, I could not recall, either 11:00 or 1:00 o'clock.
- Q. Just between you and McDevley?
- A. The only people present were McDevley and I.
- Q. What did he say when you met him?
- A. I do not recall that he said anything. Toward the first of the year you saw the letter and the other and you did not know and handed over to him the money that was obtained from both of us and Greenglass.
- Q. Is that all that was said. Didn't you tell me that you gave him \$500.00?
- A. I do not believe that I mentioned anything of the kind. \$500.00. I would like to note here that during the very long course in my meetings with the various Federal Agents we had developed a technique whereby on the occasion when important information was to be afforded that the meetings were to be of the briefest possible duration.
- Q. Mr. Gold is going to take you back to the meeting at Albuquerque with the Greenglasers. It is just to refresh your recollection. Are there any other details that you recall now that you might have introduced yourself as David?
- A. It recalls a very familiar - An individual who had called ahead in my company.
- Q. That you did introduce yourself as David?
- A. There is a distinct possibility.
- Q. When you mention to the best of your recollection that Greenglasser upon seeing your card from that individual how you went to his wallet, do you recall whether it was his wallet or a woman's wallet. Do you recall what wallet it was or are you a little fuzzy?
- A. It was a wallet; I am not at all sure whether it was a man's wallet or a woman's. I do not recall who handed it to me. You did not mention that he had a wallet.
- Q. But in any event whether he got it or a woman's wallet was produced by one of them and he handed it to you?
- A. She was the person who handed it to me.
- Q. Are there any other details that you recall that would name or name of the well-known individuals?

working there.

Q. Didn't he talk whatever concerning the work of any well-known scientists.

A. Not that I recall - did you say, though, that they were not there when certain people were there. I don't know where they were inclined to be looking.

Q. He was called by instructions that he should follow. He followed those explicitly when, for example, he obtained the information from either person, and when he was told to say that the FBI should take care of the work and to leave - and the third point was to come back at a future meeting.

Q. Didn't you tell us before that he was very nervous and stayed to a minimum the bases of work in the room. He might be inclined that way and was very nervous. I knowview all of a sudden?

A. That is correct because it is exactly what he was told the procedures he had been taught.

BY MR. NORTON:

Q. Did you discuss Lentes and his work with us?
A. He did not - I do not recall anything about that nature. The only thing I recall is that he was told that that was the only way to get the information out of his mind in either one of the two categories: he could be called a chemist, or a physicist, or a physicist's helper. I believe that that was the only way that he did specify. Also, I would like to add that he told us that the information he was giving me embodied a specific piece of information which he was at that time doing machine work.

BY MR. LANE:

Q. This information, as I understood it, was contained in an envelope that was furnished to you, is that correct?
A. That is correct.

Q. Did you at that time take out the envelope and look at it in the envelope to examine it in his presence?

A. I believe I took it out - the material was in sheets.

Q. It was in sheets - do you remember that?
A. Yes, do.

Q. Tell us about it?

A. I also believe that on another occasion, while I was on the train that I again glanced at the notes.

Q. Will you tell us what your recollection is?

A. My only recollection is of these two sheets, one of the one rough sketch. I don't believe I read it all - read the material at all.

Q. Did you discuss the atom bomb at all with these individuals?

A. I do not.

Q. Did you tell him that you were a chemical engineer?

A. I believe I told him I was a biological chemist.

Q. Isn't it natural then you would discuss the health of the atom bomb?

A. I would like to see some of the original papers after having read the material from Miss Tuchs on the day she was told that she was of Liberman's report. I would like to see some of the original papers.

- Q. Where did this meeting take place?
A. It was in New York.
- Q. Whereabouts?
A. I do not believe it was in Manhattan - I believe it was in Queens - it may have been at the end of the Flushing line.
- Q. Was anyone else present?
A. No.
- Q. What language did you use in conversing?
A. I always spoke in English.
- Q. What did you talk about at that time - what did you say?
A. I described the events which had taken place, the details of the meetings that Klaus Fuchs and I had, and in much lesser detail, the meeting with Greenglasser.
- Q. What did Yakovlev say then?
A. Yakovlev merely listened.
- Q. Did he take notes?
A. No he did not.
- Q. Of how long a duration was that meeting?
A. That meeting was possibly 1-1/2 to 2 hours duration.
- Q. Did he give you any money or anything?
A. No he did not.
- Q. When was your next meeting?
A. The next meeting was possibly some time in the middle of August.
- Q. 1945?
A. 1945.
- Q. Where was that?
A. I cannot recall the exact location except that it was somewhere in Brooklyn.
- Q. Who was present?
A. Yakovlev and I alone.
- Q. At night?
A. It was at night.
- Q. What time at night?
A. I would say about 8 or 9.
- Q. Were all the meetings about the same time?
A. All the meetings which took place during weekdays.
- Q. At the next meeting what did you talk about?
A. I believe we spoke only of the fact of the contemplated meeting in September which had been arranged between Klaus Fuchs and I.
- Q. Did you discuss Greenglasser?
A. No we didn't.
- Q. Did you discuss him in 1945?
A. We only discussed Greenglasser on one occasion in 1945 and this was some time in I believe, October or November of 1945 - again the place was New York.
- Q. New York City?
A. Just let me think for a moment.

-OFF THE RECORD-

- Q. I am not sure what location except that I do not believe it was New York City - it was one of the other boroughs, possibly the Bronx.
- Q. What was said about Greenglasser?
- A. There was no mention of Greenglasser whatever - all we spoke of was the coming of the November meeting. Once again I brought up the matter that Kora was now approaching and that Greenglasser would possibly be returning to New York during the holiday season and did Yakovlev think it advisable to make plans to meet him. He told me that he did not think so and that very likely there would be no meeting with Greenglasser in New York at that time.
- Q. Was Rosenberg's name ever mentioned?
- A. Rosenberg's name was never mentioned at any time whatever.
- Q. The only reference was when there was mention of a relative Julius?
- A. That was the only mention.
- Q. After November did you meet Yakovlev again?
- A. I may have met Yakovlev in December of 1945 and this was the last time I believe that I saw Yakovlev until in either December of 1945 or January of 1946, and this was the last time that I saw Yakovlev until December 26, 1946.
- Q. Where was that?
- A. Again at the bar on Third Avenue near 42nd Street.
- Q. How often did you go there?
- A. He met there possibly 2 or 3 times altogether.
- Q. How did you happen to go there - how did he know about that meeting?
- A. He called me at the place where I was employed - at the laboratories - Elmhurst Laboratories.
- Q. What did he say?
- A. He said this was John and I would remember him and I recognized his voice.
- Q. Where did you say you were employed?
- A. Elmhurst Laboratories of Abe Rothman Associates, 4526 57th Avenue, Elmhurst, L.I.
- Q. How did he introduce himself?
- A. He merely stated that this was John and I would recognize him.
- Q. Did Rothman know about this?
- A. Rothman never knew about this.

David Wroblewski

Q: Did you have the \$1,000 car talk you had with him at the end of the country?

A: No, he said you have a health problem; this is a health problem; at that time.

Q: This was in your presence?

A: Yes.

Q: Was anyone else there?

A: No.

Q: Did you say there to go?

A: Yes. I said you had to go to the doctor; I said that in fact he said the Soviet Union. I said, "I said you had to go; he says that idea about it." He said she is distressed, but she realizes she has to go.

Q: Didn't David tell Julius that he needed your help?

A: Yes, David said -- I think it was I that said, "I said to my neighbors, 'I have an infant here; he needs to be taken care of.'"

Q: What did he say?

A: He said your baby won't die; I said he would die. He said "I'll take care of him; he will survive." The doctor says, "If you take a case of milk and boil the water, that will live."

Q: Did the doctor know he was leaving the country?

A: I don't know; that's what he said.

Q: How did he happen to give David the \$1,000?

A: On June 2, 1950.

Q: How did he happen to give him the \$1,000?

A: He came to the house and called David into another room and gave him the \$1,000.

Q: You weren't present?

A: I was in the house when he came; he called me into the kitchen and told me. He said he had to go down for a while and give his instructions for leaving. At that time David and I had already discussed it and decided not to go. I told Julius that he wasn't going to leave because David said that if he knew of our intentions, some day he would come to us, that it would be best to let him live as we were going.

Q: Did you talk to Julius on this occasion on June 2, 1950?

A: He was very melancholic, distressed even, but in this case, he was under the impression there were some people over the house; he took David down for a while.

Q: You didn't discuss it with Julius?

A: No, I didn't discuss it with Julius.

Q: Did you say something about the \$1,000 you had given him in payment of your debt?

A: No, not in payment of debt. I said that because of the situation because we owed a lot of money to the doctor and I wanted to get the business, through the doctor's help.

Q Now, David, before I ask you any questions, I want to advise you - as a witness in a court of law - that you have a right to remain silent. You have the right to talk to a lawyer for advice before we ask you any questions and to have him with you during questioning. If you cannot afford a lawyer, one will be appointed for you before any questioning if you wish. If you decide to answer any questions now, you will still have the right to stop answering at any time. You also have the right to stop answering at any time. You understand that these rights have been explained to you, and you understand that these rights have been explained to you at a subsequent prosecution. Is that understood?

A Yes.

Q And you understand that this is a very important matter with no exceptions?
A I agree with that.

Q Will you tell us where you were born and raised?
A I was born in New York City on April 3, 1924.

Q And you are married now?
A I am married.

Q How many children do you have?
A I have two children - a girl four years old and another girl is two months' old.

Q When and where were you married?
A I was married February 29, 1942.

Q And that was your official name at that time?
A Prince.

Q Ruth Prince? And how do you spell Prince?
A Yes, Ruth P-r-i-n-c-e.

Q Will you tell us something about your family background?

Q What is your record as far as schooling is concerned?

A What schools?

A P. S. No. 1 Junior High School, No. 17, and the Army
 Technical High School, and then Virginia Polytechnic
 and State College, Blacksburg, Virginia. I graduated high school
 in 1944 one semester at 16 and I was in one more
 semester at 17. So I told them I had no more of that,
 and it interfered with my schooling - so I quit school
 it.

Q When was that?

A In October, 1948.

Q You were inducted into the Army in April, 1946 -
 is that right?

A Yes.

Q You were drafted?

A I was drafted.

Q And you were discharged from the Army in February,
 1946?

A Yes, last day in February, I believe it was.

Q February 29, 1946.

Q Now where did you have your preliminary training in
 the Army?

A Aberdeen, Maryland.

Q After you were inducted you received some basic
 training in Aberdeen, Maryland?

A Yes, in Aberdeen, Maryland.

(Off the record)

Q Now, when you reported at Ft. Dix, your induction
 center, I assume you told them your occupation -
 and what was that?

A Mechanic.

Q And where were you assigned?

A Aberdeen, Maryland for basic training and then at
 training they wanted to give us.

Q How long were you at this particular spot - Aberdeen?
 I think until the middle of the month of July -
 July, I guess.

(Off the record - 10:45 AM)

Q That was just a period of three months.

A Yes, about three months.

Q What sort of training did they give you there?
A They sent me to basic and my course they taught
elementary things and military. I went to a
radio mechanic school, which was in that period
thirteen weeks, but after that was eleven weeks
and a radio school. I was sent out training in all
of those things - all the things like that.
Q For while you were down here at the military school, did
you have any contact with Rosenberg?
A Only as a brother-in-law.

Q He didn't say anything about what you were doing?
A He discussed it - never continued it to me.
Q Did anyone mention it to you?
A I didn't believe so.

Q And when Aberdeen, where were you sent?
A I was sent out to California - I was in one of
Indians Base Battalion, and my particular job was
was heavy vehicles. I was at several points that
period at South Gate, California. I was in the
line and worked.

Q What was your particular job out there?
A I worked as a mechanic. After a number of weeks
I think about two or three, the job was done, and
I just went up to the mountains for a rest.

Q When was it completed about - the job?
A At the end of August.

Q August, 1943?
A Yes.

Q And then there where did you go?
A We were up in the mountains for two weeks.

Q What was your next assignment?
A In a unit we travelled from that place to
at Redwood Lake, where there was a base. I
we didn't do anything there.

Q How long were you there?
A To Ft. Ord, California - the peninsula of California,
near Monterey Bay, right in the Bay.

Q In a Battalion?
A Yes, we took up duties in running the base. I think
one of these - preliminary to a general inspection.
Every unit is sent through and screened and checked
what we did in the way of ordnance and heavy equipment.

Q You were processing the machinery for the...
A Yes.

Q How long were you there?
A Period of three to four weeks - I don't know.
I don't know how long they were there; I don't know.

(over the record)

Q What was your next assignment, if I may ask?
A Their objective was to get out of the country.
Our assignment was to complete the work. I don't know.
We would take them apart and you know the rest of it.
I worked in the machine shop and you know the rest of it.
I don't know - things like that.

Q Where were you when you got there?
A When we moved from there to Cincinnati, Ohio, we
went to our factory, Cincinnati.

Q What were you doing there?
A We were doing the same thing as before. I don't know.
I don't know what they were doing. I don't know.
I don't know what they were doing. I don't know.
I don't know what they were doing. I don't know.
I don't know what they were doing. I don't know.
I don't know what they were doing. I don't know.
I don't know what they were doing. I don't know.
I don't know what they were doing. I don't know.

Q How long were you there?
A A week or so and then I received orders to go
back home.

Q Did you see any of the other people there?
A Yes.

Q Did they process you for that?
A What do you mean by that?

Q Did they examine you there?
A At Fort Rucker they did.

Q I assume they were essential about what you said
they wanted to do there.
A They were looking for specialists and I don't know
and I believe they went through the case of the
file and those went.

Q You didn't do anything to get there?
A Not at all - I filled out the loyalty form, I don't know
I don't know what all my friends and associates
all seemed to do about it.

Q Did you arrive out there, did they give you any
special instructions?

A They told us just keep quiet until we are called;
we were given a security talk; that's all. I don't know
into contact with anyone, we were not to discuss it.

Q They heard you that it was highly confidential and
I think they were there: they were in the vicinity
with the other people present. I mean that the
information was highly confidential.

A I don't know if they were at the bridge
or if they were in the vicinity of the bridge and
they were in the vicinity.

Q Now, you got to see them, did you get another
personally talk.
A Yes.

Q Did they say they were
A They said it was highly confidential and that it
was subject to classification - so I don't know.

Q And that it should not be divulged?
A That's right, and they said nothing about it
being divulged.

Q And they were with other civilians?
A They were with other civilians.

Q Did they appear nervous?
A I don't know, because I was with them.

Q They were coming to the bridge?
A Yes.

Q And at the bridge?
A I don't know, I think of all the people that were
there, there was such a mob as the other one.
The three of the boys interviewed were not
at all out of those five. The third one interviewed
he said I said I liked him and I said I could handle
this job.

Q Now they all arrived
A Yes, civilians.

Q What was his name? This was the man who
said "I don't know" - I don't know if he was from Detroit, Michigan.

Q Was he a sergeant? What did they call him?
A He worked for another boss; this boss was
Sergeant by the name of Vitapatrik.
